SUSTAINABLE DEVELOPMENT GOALS

1 NO POVERTY

2 ZERO HUNGER

3 GOOD HEALTH AND WELL-BEING

4 QUALITY EDUCATION

5 GENDER EQUALITY

6 CLEAN WATER AND SANITATION

7 AFFORDABLE AND CLEAN ENERGY

8 DECENT WORK AND ECONOMIC GROWTH

9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

10 REDUCED INEQUALITIES

11 SUSTAINABLE CITIES AND COMMUNITIES

12 RESPONSIBLE CONSUMPTION AND PRODUCTION

13 CLIMATE ACTION

14 LIFE BELOW WATER

15 LIFE ON LAND

16 PEACE, JUSTICE AND STRONG INSTITUTIONS

17 PARTNERSHIPS FOR THE GOALS

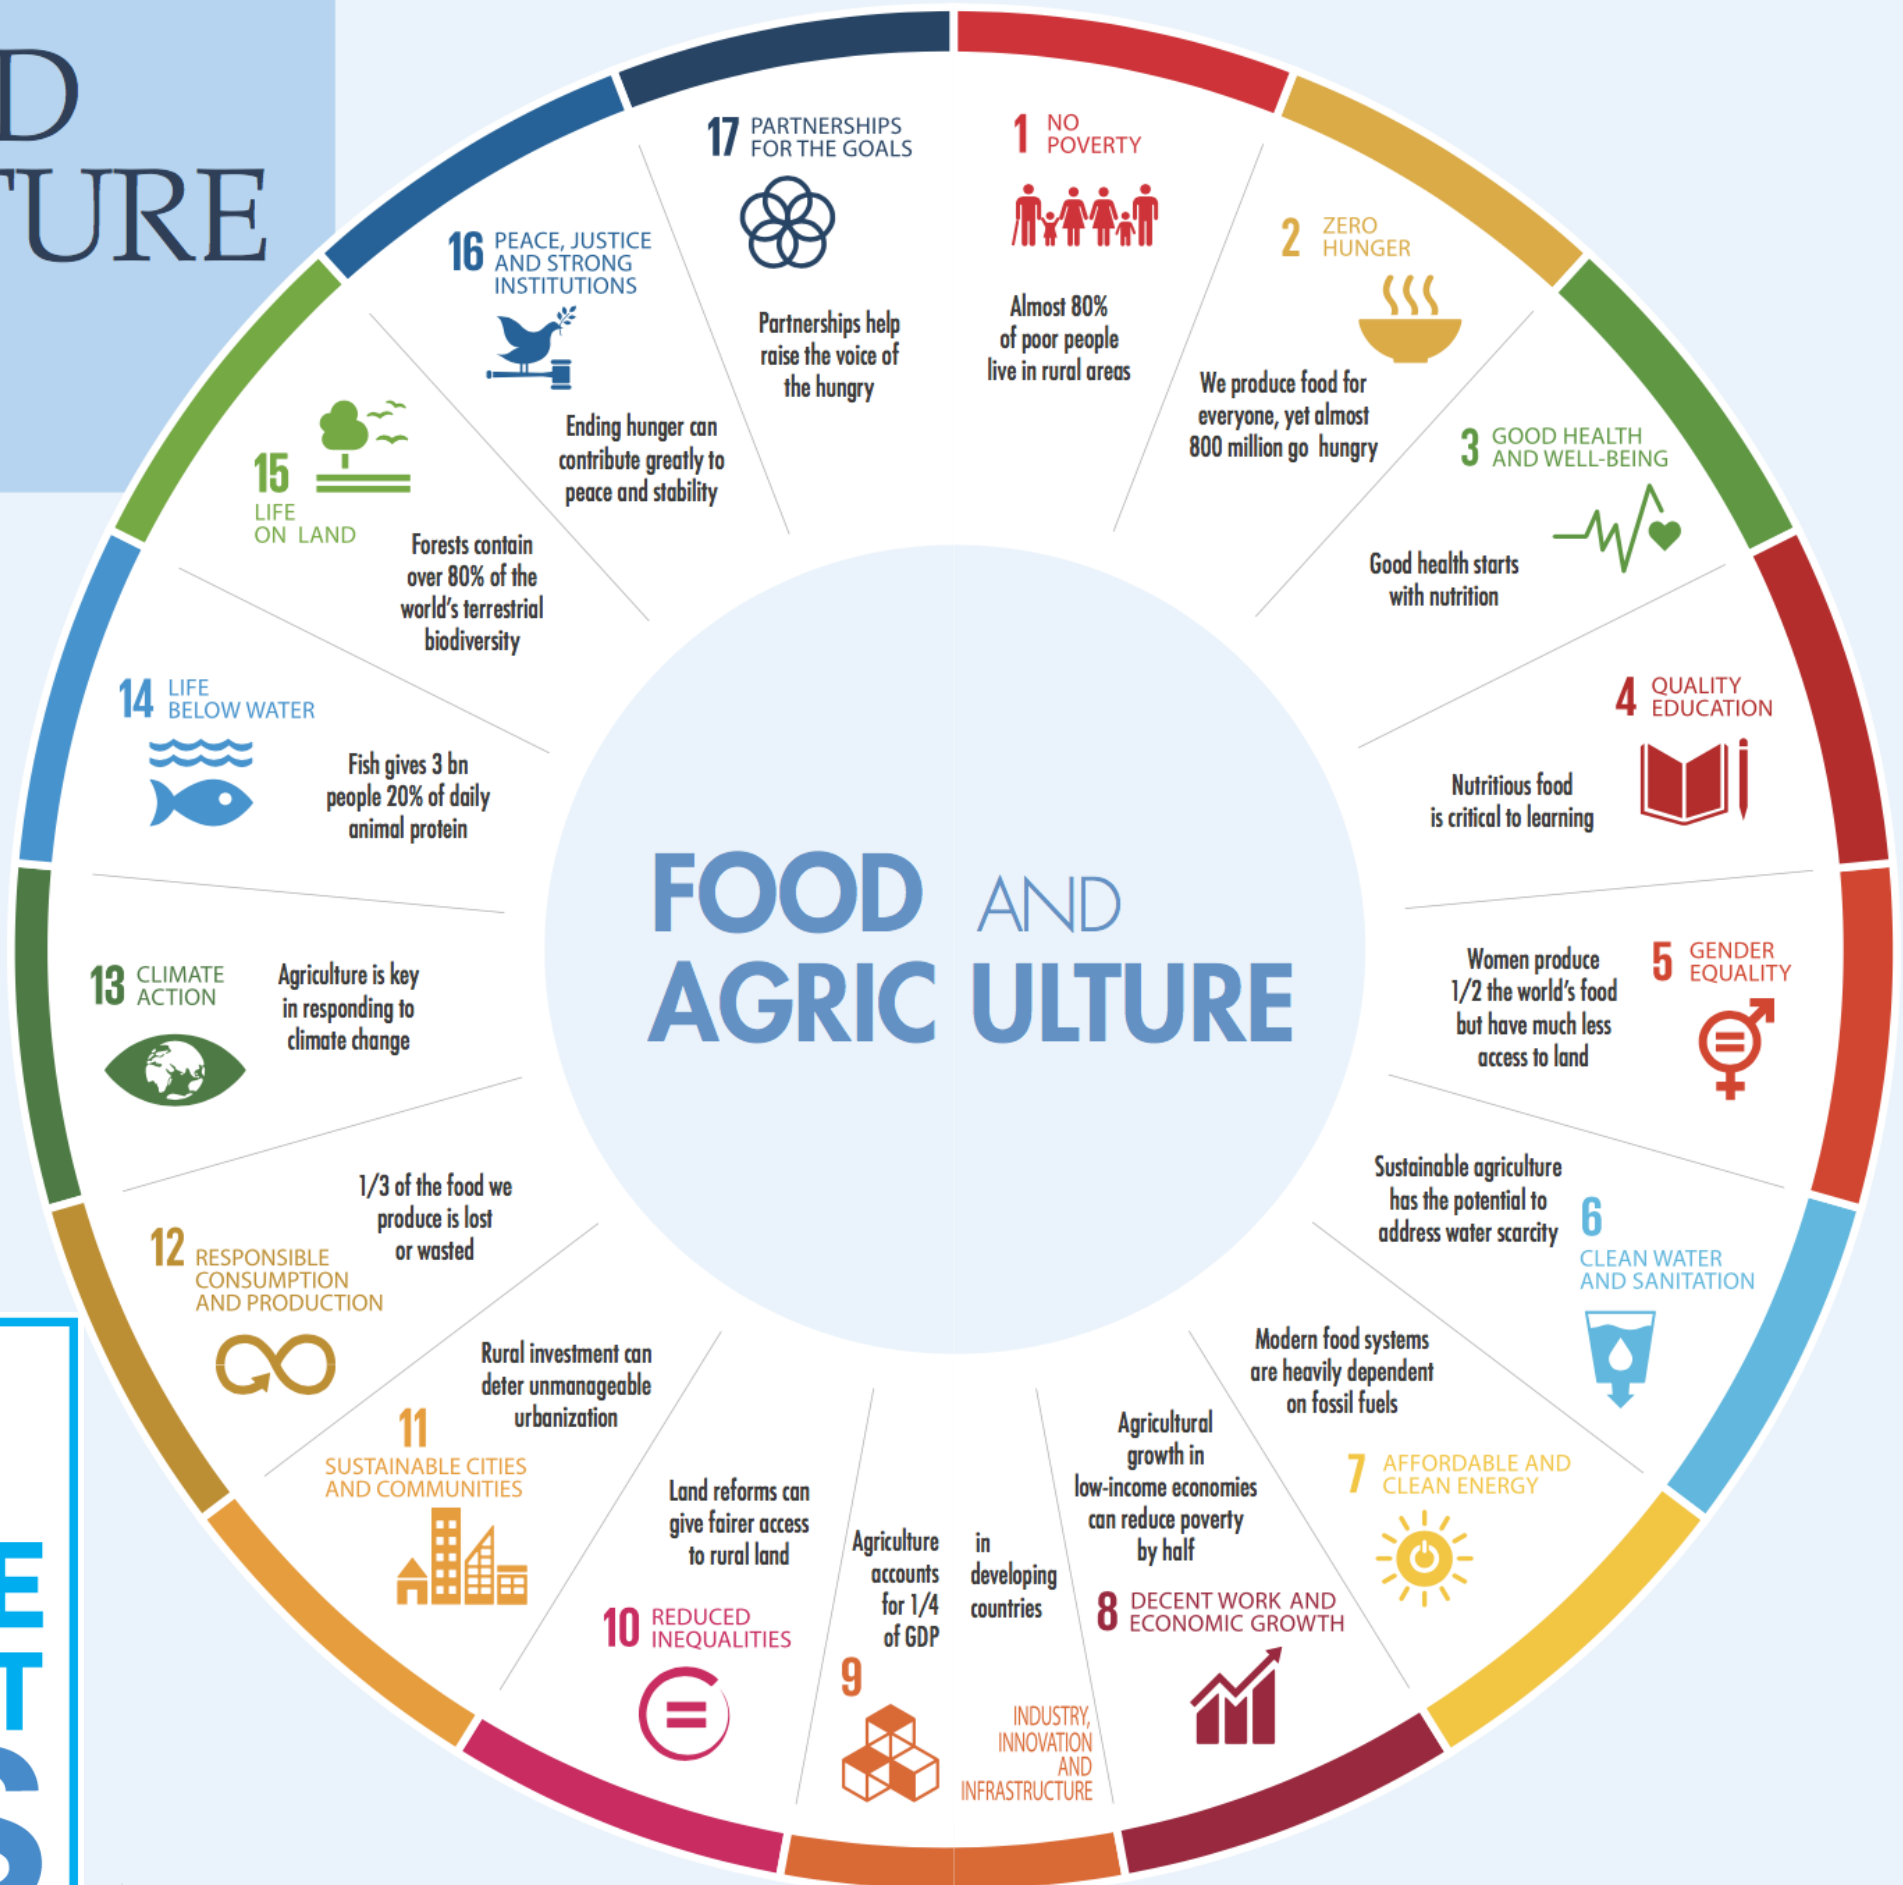

SUSTAINABLE DEVELOPMENT GOALS

FOOD AND AGRICULTURE MATTERS

From ending poverty and hunger to responding to climate change and sustaining our natural resources, food and agriculture lies at the very heart of the 2030 Agenda for Sustainable Development.

SUSTAINABLE DEVELOPMENT GOALS

FAO's Mandate and 5 Strategic Objectives

Help eliminate hunger, food insecurity and malnutrition

Make agriculture forestry and fisheries more productive and sustainable

Reduce rural poverty

Enable inclusive and efficient agricultural and food systems

Increase the resilience of livelihoods to threats and crises

Achieving food security for all is at the heart of FAO, to ensure people have access to enough, nutritious food to lead active healthy lives.

ZERO
HUNGER
CHALLENGE

FAO Global Internship, Volunteers and Fellows (IVF) Programme

Internship

- For university students/recent graduates who want to have real-life learning and field experience with FAO

Volunteers

- For motivated individuals (18+) who want to contribute volunteer actions to achieve Zero Hunger with FAO

Fellows

- For researchers, PhD students and professors who can contribute specialized knowledge through FAO

For diverse people to be part of an international community as Agents of Change to achieve Zero Hunger and be empowered as Global Citizens and Future Leaders

FAO Global Internship, Volunteers and Fellows (IVF) Programme

Re-launched by FAO in July 2017

to mobilize more inclusive and diverse participation of Global Youth and Citizens to achieve

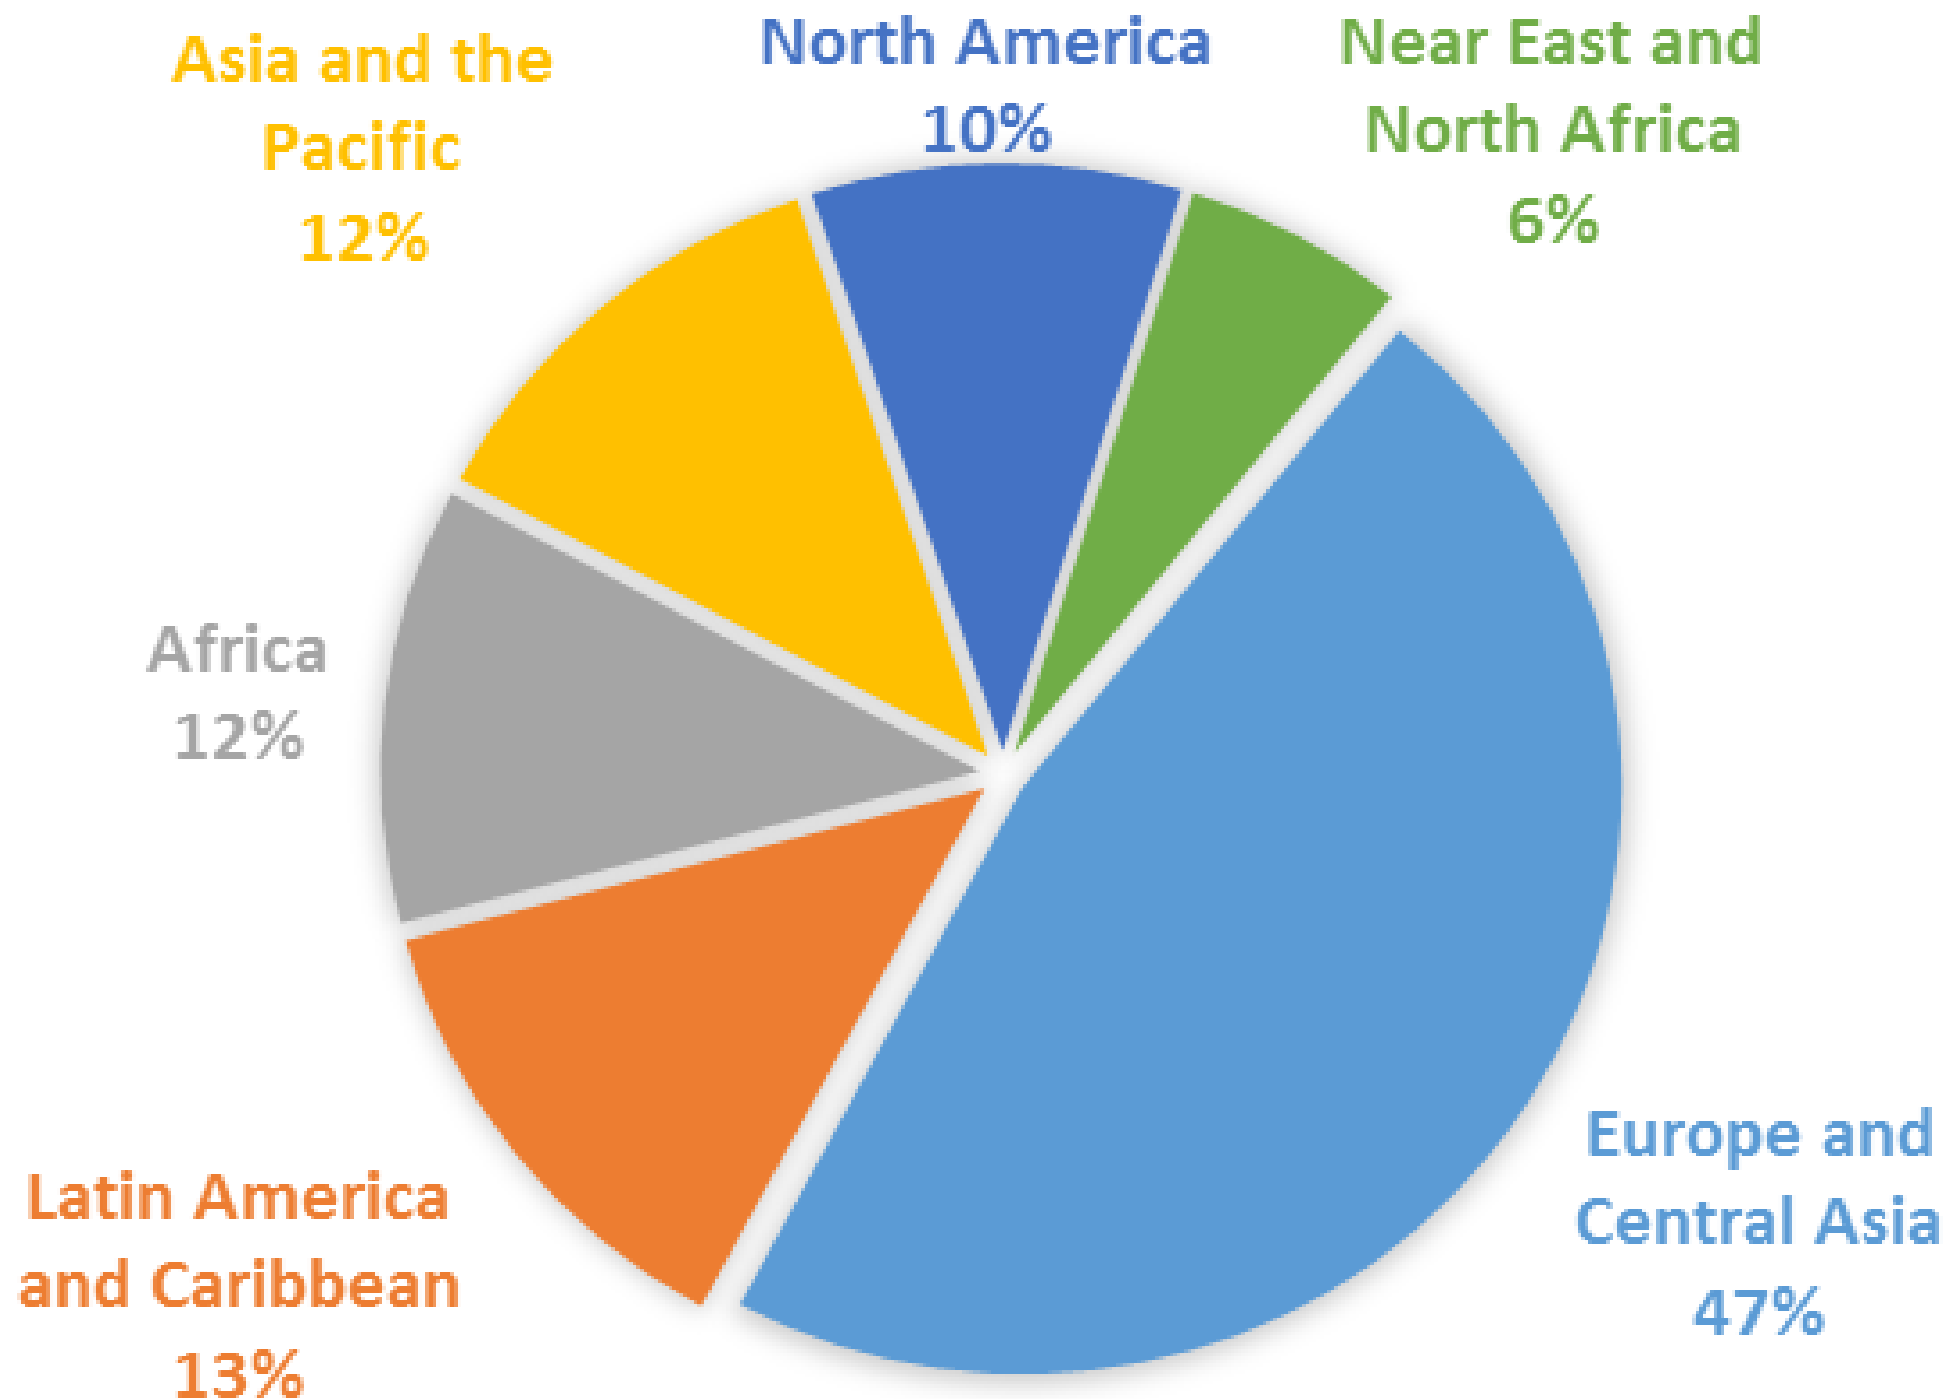

Participation in 2017

265 Interns and 65 Volunteers worldwide

Distribution of Nationalities of FAO Interns in 2012-2017, totaling 1,746

2 ZERO HUNGER

As FAO Interns, you will be involved in:

- Project support, data management, workshop design, research, analysis, monitoring, communications for rural development, etc.
- Thematic areas - examples: Climate Change, Gender Mainstreaming, Rural Transformation, Agriculture, Forestry, Fisheries, Nutrition, Sustainable Food Systems, Disaster Risk Reduction, etc.

Examples of FAO Internship

Kenyatta University Students
enrolled in the *“Education for
Effective Nutrition in Action”*
assigned to FAO Offices in
Africa

Nutrition Internship in Kenya
to analyze FAO and partner
documentation and manuals
related to nutrition education
initiatives, agriculture in
resilience programming

**Innovation to Reduce Rural Poverty
in China**

facilitating regional and
international agriculture
cooperation to assist on innovation
strategy/action plan, e.g.
formulation, design, planning and
implementation of projects to
modernize smallholder farming
systems, e-agriculture, linking poor
farmers to markets, ICT for
smallholder farmers and poverty
reduction

Examples of FAO Internship

Environmental Management & Forestry in Cape Verde

Supporting National Forestry Engineers in gap analysis on the implementation and effectiveness of the forest policy frameworks and related strategies and instruments

Organizational Development for Food Security in Democratic Republic of Congo

Developing processes for participatory diagnosis and multi-resource inventories to identify and assess food security needs, improved technologies in plant, animal and fish production and structuring of local communities

Diverse Participants of FAO Global Internship Programme are contributing towards realizing a world free from hunger and malnutrition

As FAO Volunteers, you will be involved in:

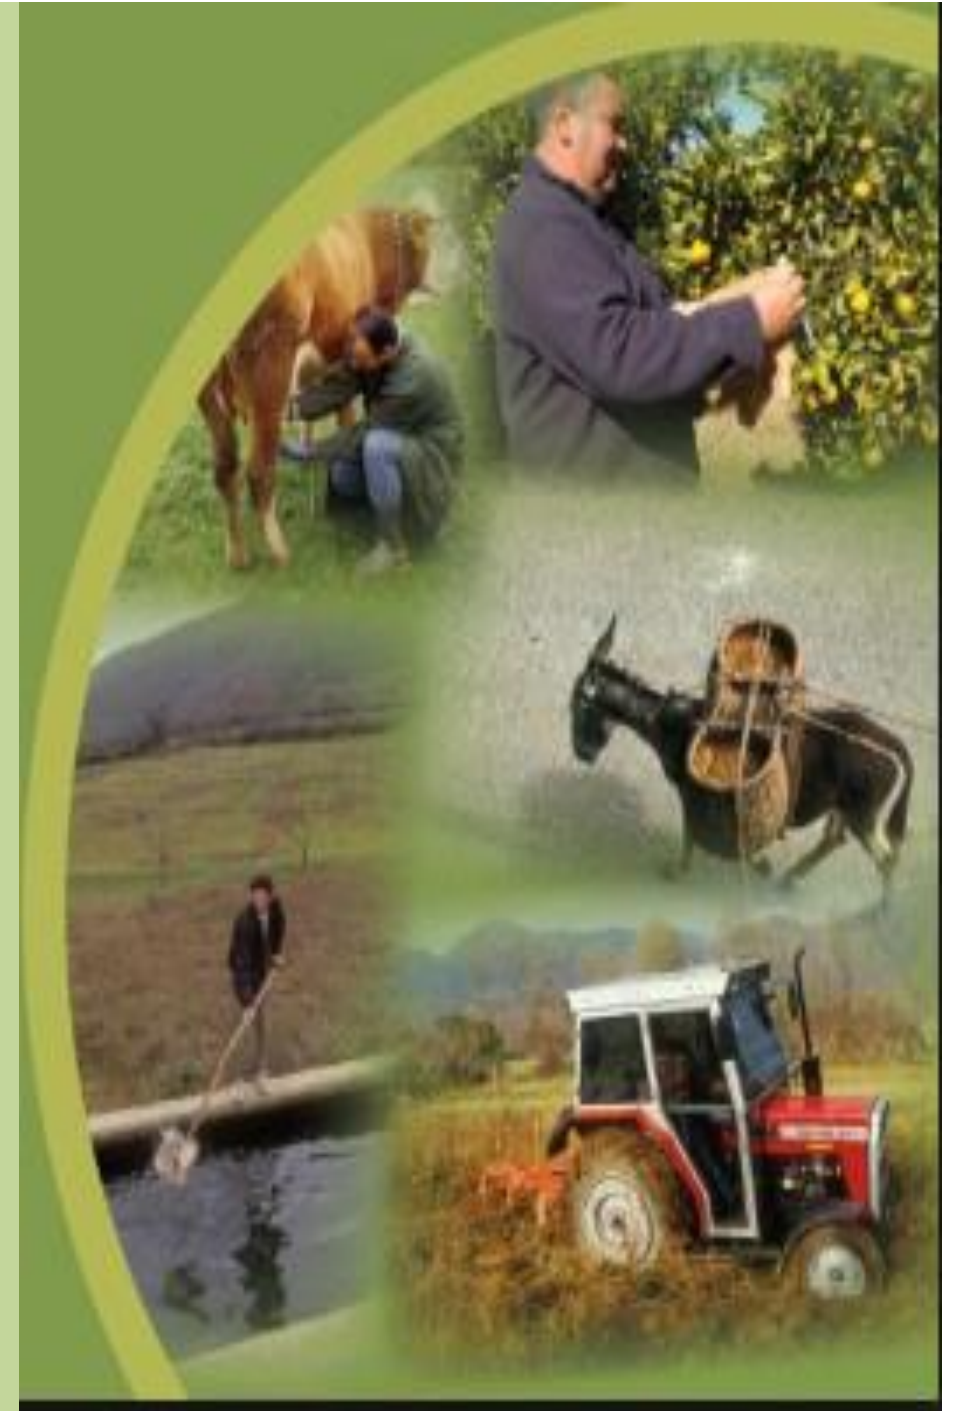

- **Projects impacting the community, international conferences/events, as an actor contributing towards sustainable development, gaining valuable and enduring practical experience.**
- **Projects such as: School Feeding Programmes, Supporting Competitiveness and Sustainable Practices in Agriculture, Improve Food Security and Livelihoods.**

As FAO Fellows, you will be involved in:

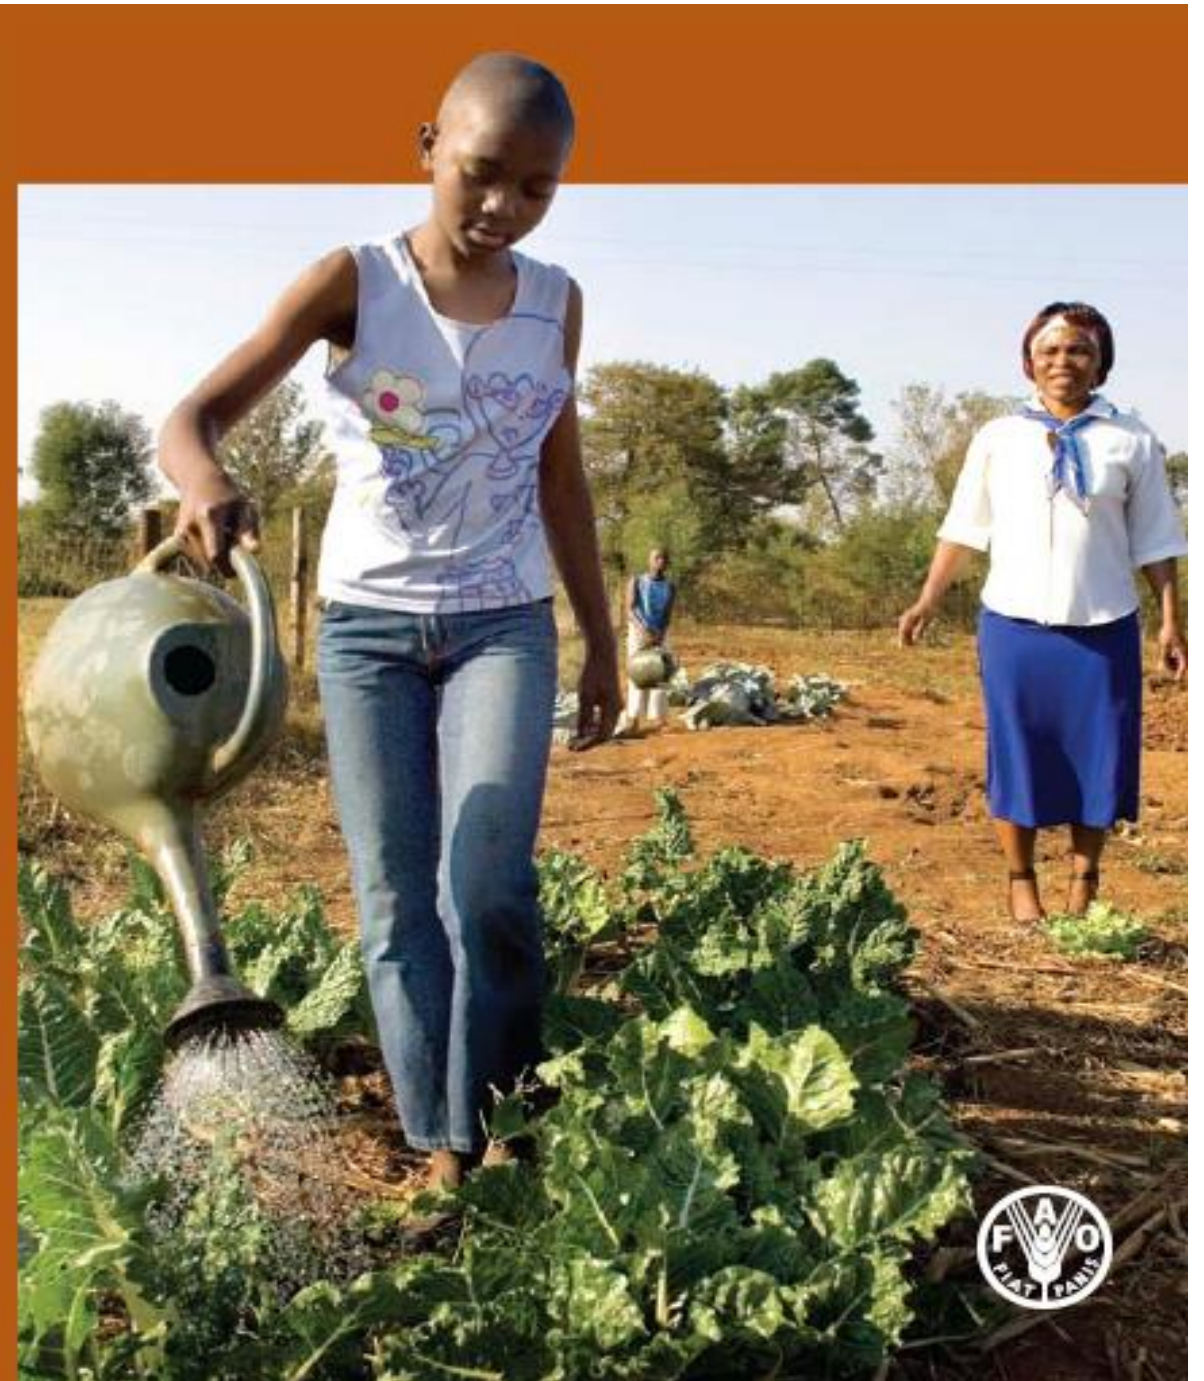

- **Joint research with FAO on a wide range of areas, e.g. food security, climate-smart farming, technologies for rural transformation, big data, value chain, reduction of food loss/food waste, nutrition-sensitive food systems, agri-business, youth and gender-sensitive agriculture/ fisheries/forestry, water management, soil management, indigenous farming/seeds, etc.**

Global Internship, Volunteers and Fellows (IVF) Programmes

- **FAO Interns, Volunteers and Fellows Programmes are vital instruments for capacity building of participants, especially Youth, and their communities**
- **Essential to harness new knowledge and innovative practices to be applied to end hunger and achieve food security for all**

Nuffield International Farming Scholarship & FAO

- Collaboration through an LOI signed in November 2017 -

To Achieve Sustainable Development Goals (SDGs) – SDG2 Zero Hunger –

- ✓ Provide culturally inclusive and gender equal scholarships opportunities for farmers, food producers and other agricultural value chain actors, especially those from the global south
- ✓ Promote knowledge exchange and information sharing (e.g. joint fora and advocacy activities)
- ✓ Access for Nuffield Scholars to FAO's resources, research, e-learning materials, national/regional/global networks
- ✓ Potential participation of Nuffield Scholars in FAO's research
- ✓ Foster collaborative relationships between FAO and Nuffield Scholars through FAO personnel's participation in Nuffield International Scholarship Programme

**Unlock your potential by participating in
FAO Global IVF Programmes
as active agents of change and global citizens to
realize a World free from Hunger and
Malnutrition in all forms by 2030!**
