

Maycon Santos, Youth Ag Summit Ambassador

<https://www.youthagsummit.com/home/>

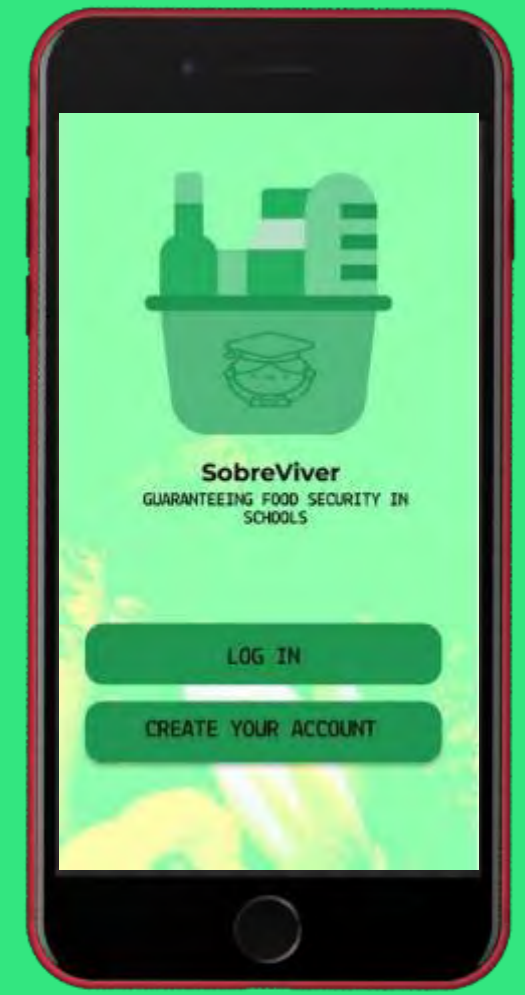

EdPower Team

Participants work hard during three intense days.

The organization emphasizes the role of collaboration in building strong solutions.

But we have lots of fun too ...
The Youth Ag Summit is also
a celebration of youth.

SobreViver

REDUCING FOOD WASTE AND LOSS.
MAKING DONATIONS HAPPEN SMOOTHLY.
GUARANTEEING FOOD SECURITY IN SCHOOLS.

SIMPLE UI DESIGN

Easy log in and sign up. Donations are four taps away.

SELF- EXPLANATORY

Explains the project's model and its stakeholders.

RELIABLE

Displays background and safety information.

INTERACTIVE

Enable users to sort by distance the companies willing to make donations.

FACILITATOR

Contains simple forms for donation submissions and requests.

TRUSTFUL

Displays information about its supportive ecosystem.

MAIN CHALLENGES

- Transportation: Unwillingness to set up transportation details;
 - Mitigation: Sorting feature;
- Legislation: Fear of penalties in case of food intoxication;
 - Mitigation: Tutorials on food selection and donation procedures;
- Avoiding reduction in donations: Diminishing donations;
 - Mitigation: News feed inside the App;
